RESPONSE TO OFFICE ACTION OF
February 1, 2000

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This paper is submitted in response to the Office Action of February 1, 2000, to further highlight why the application is in condition for allowance.

Please amend the claims as indicated below:

IN THE CLAIMS

1 94. (Amended) A computer software program embodied on a computer-readable media,
2 the program comprising a plurality of instructions, wherein the computer software
3 program is configured to be executed on a computer coupled to one or more body sensing
4 means and one or more display devices, wherein the instructions are configured to:
5
6 receive a first set of data from the body sensing means;
7
